Art Work
by Lorraine Brevig

. . . and believe that you can hold them in your possession. For it is in believing that the impossible is possible that our dreams become reality. All of us; teachers, students and alumni have had criteria and goals in our lives that we have reached. As we meet one goal we begin to journey toward the next. It is in believing and the desire alone to reach the stars that enables us to hold them. We can reach the stars.

The Cheerleaders at BHS had an important influence on the entire student body. They made signs and rallied student support and spirit during Homecoming Week football games, basketball games and during wrestling matches.

The Cheerleaders sacrificed time and energy to fulfill their many duties. Nevertheless they derived many benefits from cheerleading as well, such as a sense of satisfaction when students really showed spirit at a pep rally.

Cooperative Office Education (COE) is the capstone of a business education training program in office occupations. The program coordinates classroom study and on-the-job training; each compliments the other. Cooperative Office Education students' schedules are arranged so that they attend classes part of the school day and are employed in offices during the other part of the day. The office instruction is an extension of the classroom instruction. The in-school training is coordinated with the students' on-the-job assignments by business teacher-coordinators.

FOOTBALL

With only six returning starters the Bethel Varsity utilized the explosive running of Eric Brown, James Gayle, and Ben Johnson to post a respectable 7-3 ledger. Culminating the season, the Bruins lost a heartbreaker to eventual state champion, Hampton, by a 10-9 score. The offense led the way throughout the season with the aid of linemen Chris Chavis, Danny Jones, Eddie Ledford, Lou Bartek, Ronnie Spruill, Tim Morgan, Jeff Periera, and Scott Windrow. Frank Brown, Mark Roberts and Lance Jackson alternated the quarterback duties.

Defensively the Bruins were inexperienced. Shawn Gayle came to the forefront during the last few games to anchor the defense from his linebacker post. Other stalwarts were Tracy Richardson, Clarence Hawkins, Victor Morgan, Derik Cooke, and Jeff Pereira.

Five Bruins made all District: four on offense — Lou Bartek, Ronnie Spruill, Jimmy Gayle, and Eric Brown, and one defense — Ben Johnson. Brown went on to be all-state. Other team members who played like all staters were Jeff Pereira, Chris Chavis, and Danny Jones. All six of these athletes will be competing next year in football representing institutions of higher learning.

The Bruins were also without the services of Headcoach, Dennis Kizlowski, during most of the season because of back surgery. Assistant Coach Sam Butler acted as the intrim head coach while Coach Charles Brown ran the defense and Coach Roger Bouchard deployed the offense.

ERIC BROWN to attend OLYMPIC SEMINAR

Eric Finishes season on top once more.

What makes Eric Brown go so fast.

That's something physicians and coaches with the United States Olympic Development Committee would like to know.

As one of the top prep sprinters in the country, 'E.B.' has been selected to attend an Olympic Committee sponsored seminar at Colorado Springs, Colorado beginning July 31 and ending August 4.

"Eric's invitation indicates that one-third of the sprinters selected are considered potential Olympians," says Bethel High assistant track coach Dennis Kozlowski, who is entertaining the idea of accompanying Brown on the excursion.

The purpose of the seminar is two-fold with sprinters like Brown serving as both pupil and guinea pig.

"In an intensified learning program lasting eight to 10 hours a day," says Kozlowski, "the sprinters will be instructed on training techniques, different workout procedures, and exposed to different philosophies about sprinting."

While the sprinters are learning from one another, and from Olympic Committee Chairman Willie L. Williams of the University of Arizona and his coaching staff, doctors and clinicians will be studying the sprinters.

With 10.4 and 10.5 100 meter times winning such prestigious events as the Penn Relays, Brown fashioned a 10.2 in the Volunteer Track Classic last month, easily explaining the UCLA-Bound performers invitation to the seminar.

"We think Eric has a shot at the national prep record in the 220," notes Kozlowski. "Ronnie Harris has the state record in 21.0 and I think the national mark is 20.9."

Brown ran a 21.1 a year ago and has already gone 21.3 this season.

Ben Johnson breaks the tape in victory.

BEST YEAR FOR SWIMMING TEAM (9-1)

This past season the swim team experienced its best competitive year in compiling a 9-1 record. The team was lead by seniors Steve Mills, Kevin McGrady, Carl Klingenberg, Lisa Cohen, and June Harris. The Bruins won the honors of city champions in a two-day meet that included all district teams except Lafayette H.S. The prominent and most valuable swimmers were senior Steve Mills, Robin Phaup, Lisa Cohen, and Carl Klingenberg. The team brought home high honors from the Peninsula Relays, ODU Invitational and Hampton City Champions. The overall depth and excellent caliber young swimmers will make the Bruins contenders for years to come. CONGRATULATIONS TEAM!

GIRL'S BASKETBALL

With the combination of team effort, hard work, and self-determination, the Lady Bruins earned their first birth in district competition. The overall record (12-6) and District record 11-5 clinched their fourth place position for the tournament. Charlotte Cooper was named to the All-District team with Honorable Mention for Donna Dabney and Jessie Iverson.

The Lady Bruins composed of 5 Seniors, 6 Juniors, and 4 Sophomores also earned the district respect and the title of "the fastest" district team.

Team honors went to the following Bruins:

BOY'S BASKETBALL

The year 1977-78 basketball season for the Bruins was not a good year. It was a rebuilding year for the Bruins team. The team started out with 12 members and finished with 9. There were only 2 seniors on the team; guard Albert Cooper who helped the Bruins tremendously and Captain Forward David Johnson. Johnson brought many good points for Bethel to offset the bad season. He finished third in the district in scoring with a 19.6 average, also he was named to the All Peninsula Honorable Mention. During the Christmas tournaments, Bethel attended the Maggie-Walker Armstrong tournament where Johnson turned in a superb showing scoring 73 points in three games; earning himself a spot on the All-tournament team and was voted the tournaments best offensive player. As for the teams achievements, Johnson was voted Most Valuable Player and the team's Best Offensive Player. The third trophy was given to Junior Forward Sylvester Rainey, he was the Team's most aggressive player. A point to remember for the Bruin's basketball team 7 of the 9 players return. Each of the players returning has more experience and Coach Hintz's crew will be ready for the upcoming year.

wresting

The Bruin Wrestlers continues their winning tradition posting a 10-2 dual meet season. In the process they beat Eastern District Champions, Norview and North Carolina State Champions, Cary, ending the regular season as Peninsula District Champions. Two additional crowns were added to the Bruin showcase; the Overbrook New Jersey Christmas Tournment and the Eastern Regional Championship. Both monumental landmarkers in Bethel wrestling. The wrestling season came to an end with the State Championship and the Bruins finishing fifth. Outstanding performances during the year were registered by seniors, Danny Schreck, Lawrence Bowman, Tommy Turberville, Clark Harrison, and juniors Grey Sours and Ronnie Spruill.

BRUIN GOLFERS: Regular Season Co-Champs

At the beginning of this year's season, the Bethel golfers were picked to be the team to beat. The Bruin golfers proved that the coaches' prediction was fairly accurate. The Bruins compiled an 8-2 record with losses to Princess Anne (The eventual State Champion) and regular season co-champion, Lafayette.

By finishing second in the District Tournament the Bruin golfers advanced to Regional play. In the district tournament, Mike Bryant fired a 76 on opening day to tie for the individual low score. Mike fired an 81 the second day and finished 4th individually. Dale Crumpler fired a second round 75 after opening with an 83.

In Regional play, the Bruins finished second to Princess Anne to take the second of two spots available for the State Tournament. Curtis Leggett won a medal for 3rd lowest individual score with a round of 75. Mike Bryant shot a fire 77 and Dale Crumpler a 79. Also contributing to the Bethel cause was Brian Brewster with an 84.

The Bruins advanced to the State Tournament in Sterling VA. The Bruins finished 7th out of 8 teams. This is, however, the first time Bethel has had a golf team advance to the State Tournament.

The top 6 players on the Bruin team graduate this year. Dale Crumpler, Mike Bryant, Curtis Leggett, Mike Hott, and Brian Brewster provided most of Bethel's formidable scores with help from Philip Wickline, Jack Harrison, Brad Evans, Jeff Stern, and Grey Sours. Team Members (with lowest average players in order): Dale Crumpler, Mike Bryant, Curtis Leggett, Mike Hott, Brian Brewster, Philip Wickline, Jack Harrison, Brad Evans, Jeff Stern, Grey Sours.

Frustration

THE YEARBOOK STAFF

On June 15, the members of the URSA MAJOR STAFF breathed a sigh of relief; all 216 pages of the yearbook were finally submitted to the publishers. Through long, all night deadlines sessions the staffers had labored over neglected layouts.

Lost copy, total chaos and laughing attacks distracted the URSA MAJOR Crew from its ultimate goal — a book that would please the student body as well as critics from the Virginia High School League.

As the members worked on their sections, they tried to combine an overall theme with their own ideas on individuality. The memories of the 1977-1978 school year were captured within the pages of this book as the staff strived to picture the school and all its aspects in a unique style that would itself be remembered for years to come. The URSA MAJOR STAFF.

Frustration over having to leave too much white space between each picture.

Staff takes a break

"Always and Forever" a time to remember in '78

The senior class successfully arranged a perfect prom evening. Music was performed by Slapwater. "Always and Forever" was chosen as the theme as the senior class of 1978 will always be great and forever remembered.

Couples take a break to catch up on the latest news.

Everyone always finds time to pose for a picture.

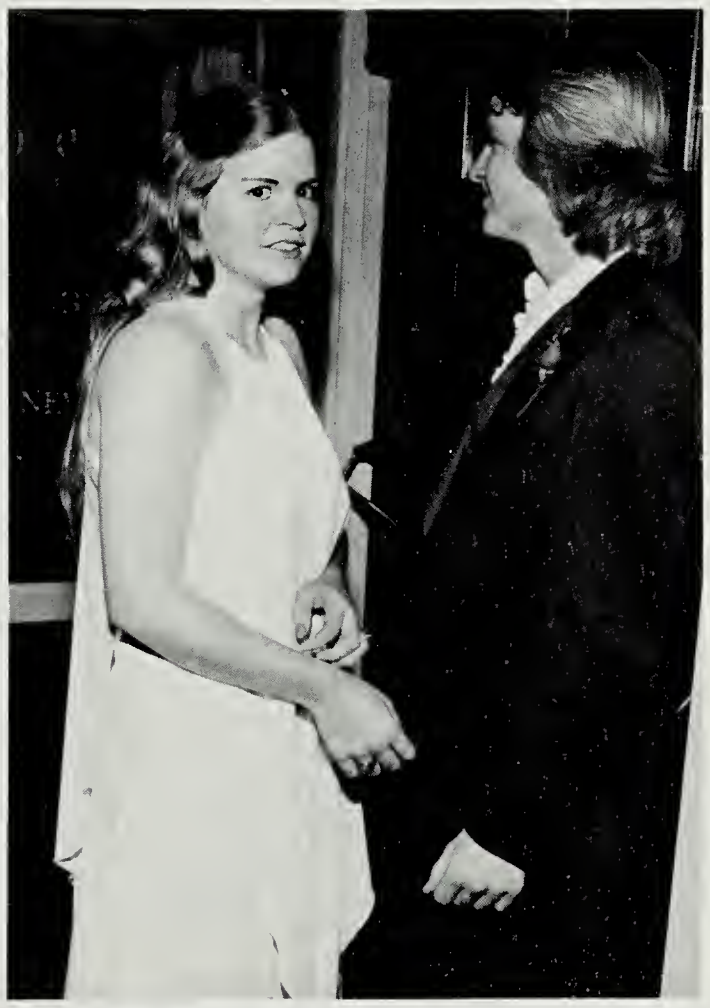
"Here's to always and forever'."

The boys — feeling good and being happy.

Jenniffer Allison and her escort Donnie Brogden enjoy the music by Slapwater.

Couples received champaign glasses and prom booklets as a remembrance tokens.

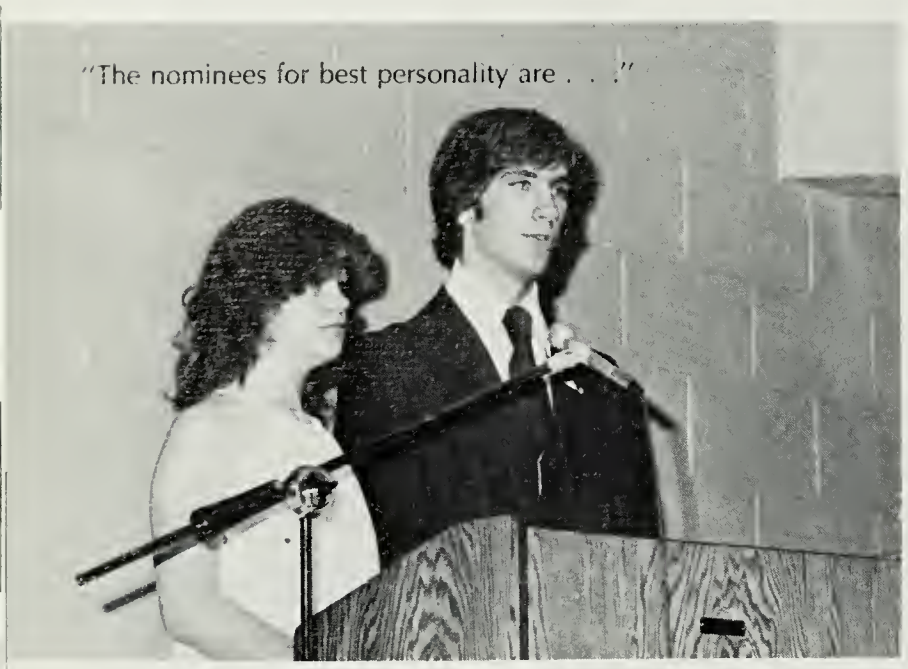
"Mom . . . can I stay out until two?"



Dancing to the rhythm of the beat.

"One of these people just doesn't belong here. Now can you guess which one it is?"

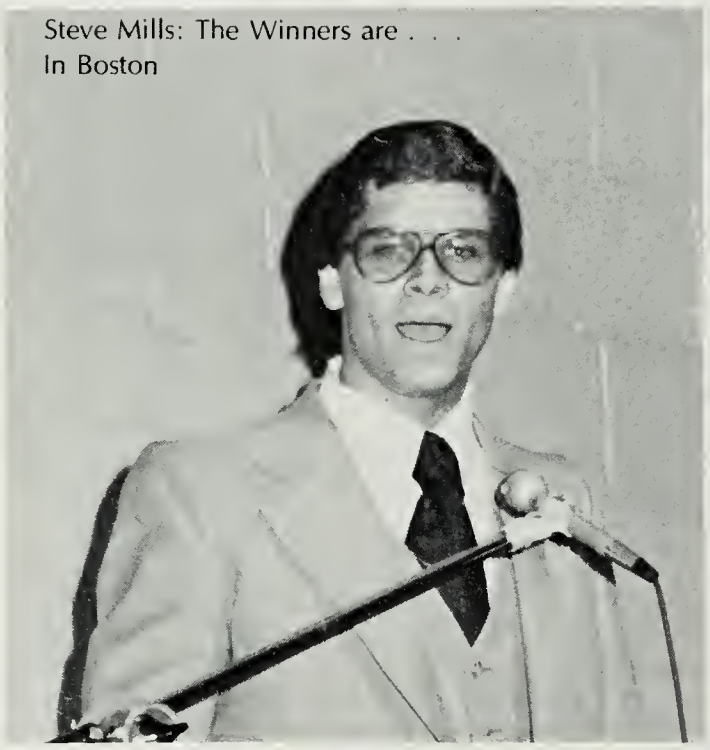
Class Night



"The nominees for best personality are . . ."

Donna Ulisse: I sang my heart out to you.

Nathan Wheeler: The Closer I get To You . . .



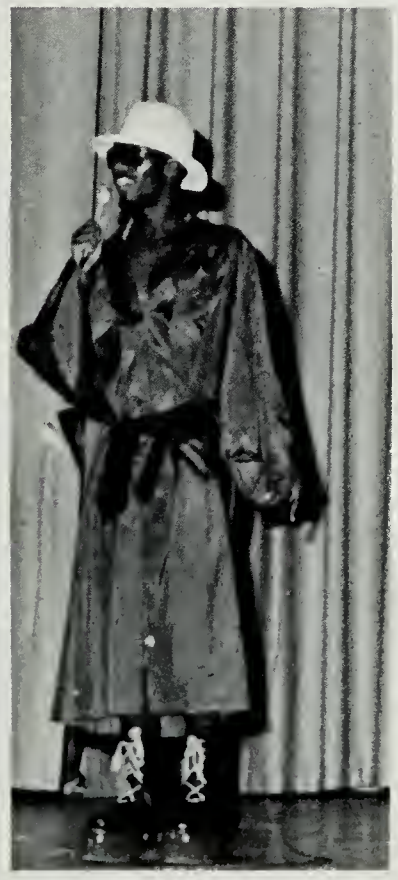
Steve Mills: The Winners are . . .
In Boston

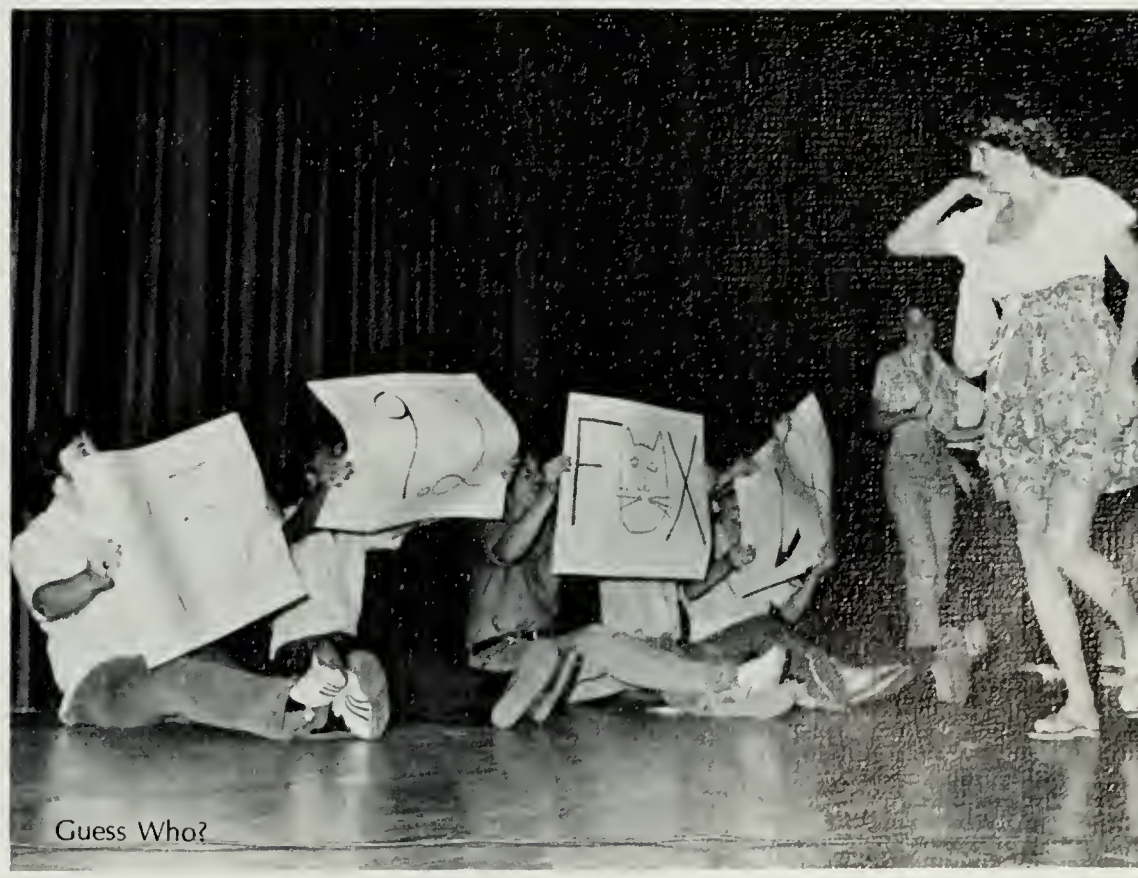
We are No. 1

We Can't hear you

In New York The Winners are . . .

How much time is Left?





Guess Who?

JOHN G. PERRY, SALUDA, VIRGINIA

As the year ends so do many of our journeys. Some of them were long and tretcherous; others were simple. To seniors, the mountain may symbolize their high school years. Now we are at the top looking down; we see things different now. We are once again on another journey. Faith in ourselves will enable us not only to reach the stars but posess them!

Jenniffer Allison
